Youth Camp

Monday, June 3–Friday, June 7, 2019

Camp Colley - Happy Jack, AZ

Dear Parents,

NATIVE HEALTH is pleased to announce the Living Well Traditionally (LWT) Youth Diabetes Prevention Camp, **Monday, June 3–Friday, June 7, 2019** for Native American children, ages 10-13. LWT Summer Camp will be held at Camp Colley in Happy Jack, AZ.

There is a $75 registration fee per child. Scholarships are available.

Applications are only accepted when all forms are completed and registration fee is paid. Please read the entire packet with your child so everyone has a successful and enjoyable time. **If you live in Maricopa County, physicals must be completed by a NATIVE HEALTH medical provider.** Deadline for applications is **Friday, May 17, 2019**. NATIVE HEALTH provides transportation within 15 miles of our facilities, should you need a ride to see our providers.

NATIVE HEALTH is entering its 17th year offering American Indian/Alaskan Native youth tools to reduce the risk of developing Type 2 Diabetes. In addition to offering a fun outdoor camping experience, the LWT Summer Camp also provides education on the importance of nutrition, physical activity, self-esteem, diabetes prevention, and traditional activities.

Please do not mail or send any food, drinks, candy or gum for your camper. We do not allow food in the living units because these items attract rodents or wildlife. Three meals as well as morning and afternoon snacks with healthy drinks will be provided.

Behavior and discipline problems can affect camp activities and other children's camping experience. Parents will be contacted in the event behavior problems arise, and campers may be dismissed and will have to be picked up by the parent/guardian at the camp, at your own cost.

LWT Summer Camp is a place for safe, wholesome fun and learning. We are dedicated to keeping it that way. Thank you for sharing your camper with us and we will be working very hard to make sure they have a great time at camp this summer.

If you have any questions please call Amber Tso at **(602) 279-5262 ext. 3314**, Monday through Friday 8 a.m.–5 p.m., or email: **atso@nachci.com**.

Thank you,

Amanda Chee
