

Butcher Paper Self-Portrait

Materials:

- butcher paper (about 4 feet long)
- markers
- color pencils
- construction paper
- stickers

1. Lay out the butcher paper like in the photo above (vertically).
2. Have your child lay down on the paper so their entire body is on top of it;
optional: make a silly pose!
3. Trace your child's outline with a pencil or black marker
4. Have your child decorate their outline using color pencils and markers;
drawing parts of their face, hair, clothes shoes, etc.
5. Hang up in your home and take a picture with your twin!

Enjoy!
